
Gate 1 queries process

Strategic solution(s)	Minworth
Query number	MIN001
Date sent to company	13/07/2021
Response due by	15/07/2021

Query

We request copies of the following documentation

- Environmental Assessment
- Strategic Environmental Assessment
- Habitats Risk Assessment
- Water Framework Directive Assessment
- Natural Capital and Biodiversity Net Gain Assessment
- Carbon Assessment (any carbon related assessment material, additional to that presented in the PFA)
- Invasive Non-Native Species Risk Assessment

Solution owner response

In all cases the documents submitted to RAPID contain information that is commercially confidential. Please ensure that appropriate steps and safeguards are observed in order to maintain the security and confidentiality of this information. Any requests made to RAPID or any organisation party by third parties through the Freedom of Information Act 2000, the Environmental Information Regulations 2004, or any other applicable legislation requires prior consultation and consent by each of Severn Trent Water Limited, and Affinity Water Limited in relation to Minworth SRO before information is released as per the requirements under the respective

legislations. The content of the requested documents is draft and relates to material or data which is still in the course of completion in travel to Gate 2, and should not be relied upon at this early stage of development and is liable to further change as more information comes to light as a result of further investigations. We continue to develop our thinking and our approach to the issues raised in the document in preparation for Gate 2.
