Severn Trent Utilities Finance Plc

Strategic report

The Directors present their Strategic report for the year ended 31 March 2022.

Business review and principal activities

The Company is a wholly owned subsidiary of Severn Trent Plc and operates as part of the Severn Trent Group's Regulated Water and Waste Water business.

The principal activity of the Company is the provision of long-term finance for its immediate parent, Severn Trent Water Limited.

There have not been any significant changes in the Company's principal activities in the year under review. The Directors are not aware, at the date of this report, of any likely major changes in the Company's activities or prospects in the next year.

Severn Trent Plc manages its operations on a divisional basis and the Company's Directors do not believe that further key performance indicators for the Company are necessary to enhance the understanding of the development, performance or position of the business. The performance of the Regulated Water and Waste Water business, which includes this company, is discussed in Severn Trent Plc's Annual Report and Accounts (which does not form part of this report). Throughout the year and following the year end, the Company has considered the potential impact of COVID-19 which is discussed in the financial position and going concern paragraph below.

Results and dividends

The Company's result for the financial year after taxation was nil (2021: nil).

The Directors do not recommend the payment of a dividend (2021: nil).

Principal risks and uncertainties

Treasury management

The Severn Trent Group manages its treasury operations on a group basis. Financial risk management is performed by Severn Trent's Group Treasury department. This includes assessment and mitigation of price risk, credit risk, liquidity risk and interest rate cash flow risk. The Group's treasury management policies and operations are discussed in Severn Trent Plc's Annual Report and Financial Statements (which does not form part of this report).

The Company raises debt finance for its immediate parent company, Severn Trent Water Limited. Amounts raised are usually passed on to Severn Trent Water Limited on identical terms. Severn Trent Water Limited provides guarantees for the Company's obligations under these arrangements. The principal risk of these arrangements is that Severn Trent Water Limited is unable to meet its obligations to the Company.

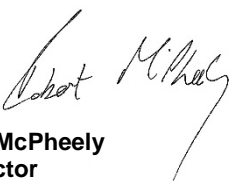

Financial position and going concern

As at 31 March 2022, the Company has net assets of nil (2021: nil) and a net current liability position of £0.2 million (2021: £0.2 million).

The Directors have considered the financial position and future prospects of the Company. The Company participates in the Group's pooled banking arrangements and receives funding, when required, from the Severn Trent Group in the form of intra-group loans. When existing loans reach maturity the appropriate funding will be established as required to ensure such obligations can be met. After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources, including financial resources available from other group companies, to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the report and annual financial statements.

Throughout the year and following the year end, the Board has considered and monitored the impact of COVID-19, in particular to evaluate its impact on financing and liquidity. This indicates that, while there has been a financial impact, this has not resulted in a significant impact to the Company's expected liquidity or solvency that cannot be addressed by mitigating actions.

By order of the Board

R C McPheely
Director
14 July 2022

Severn Trent Utilities Finance Plc

Directors' report

The Directors present their report and the audited financial statements of the Company for the year ended 31 March 2022.

Matters included in the Strategic report

The following matters are included in the Company's Strategic report on the preceding page:

- Business review, future developments and principal activities of the Company
- Results and dividends
- Principal risks and uncertainties
- Financial position and going concern.

Directors

The Directors who served during the year are shown on page 2.

Directors' indemnities

The Company's Articles of Association provide that directors of the Company shall be indemnified by the Company against any costs incurred by them in carrying out their duties, including defending any proceedings arising out of their positions as directors in which they are acquitted or judgment is given in their favour or relief from any liability is granted to them by the court. These indemnities were in force throughout the year and up to the date of signing of the financial statements.

Post balance sheet events

There have been no significant post balance sheet events.

Directors' responsibilities statement

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting standards, including Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Severn Trent Utilities Finance Plc

Directors' report (continued)

Auditor and disclosure of information to the auditor

In the case of each of the persons who are directors of the Company at the date when this report is approved:

- so far as each of the Directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each of the Directors has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

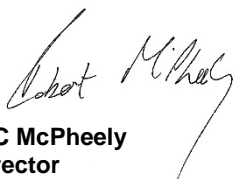

Relevant audit information means information needed by the Company's auditor in connection with preparing its report. This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP has indicated its willingness to continue as auditor.

Annual General Meeting ('AGM')

In compliance with sections 336 and 656 of the Companies Act 2006, the AGM is scheduled to be held on 2 August 2022.

By order of the Board

R C McPheely
Director
14 July 2022

Severn Trent Utilities Finance Plc

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SEVERN TRENT UTILITIES FINANCE PLC

Report on the audit of the financial statements

1. Opinion

In our opinion the financial statements of Severn Trent Utilities Finance Plc (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2022 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the Income Statement;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 14.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

2. Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard as applied to listed public interest entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We confirm that we have not provided any non-audit services prohibited by the FRC's Ethical Standard to the company.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Summary of our audit approach

Key audit matters

The key audit matters that we identified in the current year were:

- Valuation and completeness of borrowings
-

Severn Trent Utilities Finance Plc

Within this report, key audit matters are identified as follows:

⌂ Similar level of risk

Materiality	The materiality that we used in the current year was £12.4 million which represents 0.27% of the company's borrowings.
Scoping	Audit work to respond to the risks of material misstatement was performed directly by the audit engagement team.
Significant changes in our approach	There have not been any significant changes in our audit approach.

4. Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our evaluation of the directors' assessment of the company's ability to continue to adopt the going concern basis of accounting included:

- Evaluating the ability of the the company's immediate parent undertaking to settle the amounts owed to the company;
- Reviewing the borrowing arrangements of the Severn Trent Water Limited Group and evaluating the sufficiency of headroom available in the forecasts (cash and covenants);
- Assessing the assumptions used in the cash flow forecasts for consistency with the approved budgets and performing sensitivity analysis relating to these assumptions; and
- Assessing the impact of risks and uncertainties on the business model.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

5. Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period and include the most significant assessed risks of material misstatement (whether or not due to fraud) that we identified. These matters included those which had the greatest effect on: the overall audit strategy, the allocation of resources in the audit; and directing the efforts of the engagement team.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5.1. Valuation and completeness of borrowings ⌂

Key audit matter description	The principal activity of the company is the provision of long term finance for its immediate parent company, Severn Trent Water Limited. The company has
-------------------------------------	---

Severn Trent Utilities Finance Plc

external borrowings which it subsequently lends to Severn Trent Water Limited on the same terms.

Borrowings payable as at 31 March 2022 were £4,599.9 million (2021: £4,252.1 million). As disclosed in note 1(e) and note 10 to the financial statements, these borrowings are measured at amortised cost using the effective interest rate method.

The key audit matter has been pinpointed to the valuation and completeness of company's borrowings.

How the scope of our audit responded to the key audit matter

Procedures performed to respond to the key audit matter included the following:

- for all borrowings, we agreed the original principal and loan terms to the original loan agreement;
- for new borrowings in the year, we agreed receipt of the value of the borrowings to bank statement;
- we recalculated the foreign exchange adjustment on foreign currency debt;
- we recalculated the amortised cost of the borrowings including the adjustment for deferred origination fees and for RPI indexation of index linked loans; and
- we reviewed the Treasury Committee minutes and the Board minutes for evidence of any new borrowings in the year to assess completeness.

Key observations

Based on the work performed we concluded that the valuation and completeness of borrowings is appropriate.

6. Our application of materiality

6.1. Materiality

We define materiality as the magnitude of misstatement in the financial statements that makes it probable that the economic decisions of a reasonably knowledgeable person would be changed or influenced. We use materiality both in planning the scope of our audit work and in evaluating the results of our work.

Based on our professional judgement, we determined materiality for the financial statements as a whole as follows:

Materiality	£12.4 million (2021: £9.78m)
Basis for determining materiality	Materiality has been based on 0.27% (2021: 0.23%) of the company's borrowings. This reflects that materiality is required to be less than that of the group, Severn Trent Water Limited and the Severn Trent PLC group ("the Group") for work performed in relation to the Group audits.
Rationale for the benchmark applied	The primary purpose of the company is to raise funding from external sources and provide funding to the immediate parent company, Severn Trent Water Limited. We have therefore used total borrowings as the benchmark.

Severn Trent Utilities Finance Plc

6.2. Performance materiality

We set performance materiality at a level lower than materiality to reduce the probability that, in aggregate, uncorrected and undetected misstatements exceed the materiality for the financial statements as a whole. Performance materiality was set at 70% of materiality for the 2022 audit (2021: 70%). In determining performance materiality, we considered the following factors:

- the simple nature of the business as a provider of finance and the fact that there have been no significant changes to the business since the prior year;
- the low value of uncorrected misstatements identified in previous years; and
- our assessment of the control environment as well as the continuity of the business year on year.

6.3. Error reporting threshold

We agreed with the Board of Directors that we would report to the Board all audit differences in excess of £620,000 (2021: £489,100), as well as differences below that threshold that, in our view, warranted reporting on qualitative grounds. We also report to the Board on disclosure matters that we identified when assessing the overall presentation of the financial statements.

7. An overview of the scope of our audit

7.1. Scoping

Our audit was scoped by obtaining an understanding of the company and its environment, including internal control, and assessing the risks of material misstatement. Audit work to respond to the risks of material misstatement was performed directly by the audit engagement team.

7.2. Our consideration of the control environment

As part of our risk assessment, we assessed the control environment to the extent relevant to our audit. As part of this, we involved our IT specialists to obtain an understanding of the relevant controls over the financial accounting software platform, SAP. We also obtained an understanding of the control environment over the treasury cycle and related account balances.

8. Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Severn Trent Utilities Finance Plc

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated.

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

9. Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

10. Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

11. Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

11.1. Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and business performance
- results of our enquiries of management, internal audit and those charged with governance about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the company's documentation of their policies and procedures relating to:

Severn Trent Utilities Finance Plc

- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team and involving relevant internal specialists, including tax, IT and financial instruments regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory framework that the company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

11.2. Audit response to risks identified

As a result of performing the above, we did not identify any key audit matters related to the potential risk of fraud or non-compliance with laws and regulations.

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management, those charged with governance and in-house legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance and reviewing internal audit reports; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members including internal specialists and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Severn Trent Utilities Finance Plc

Report on other legal and regulatory requirements

12. Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

13. Matters on which we are required to report by exception

13.1. Adequacy of explanations received and accounting records

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have nothing to report in respect of these matters.

13.2. Directors' remuneration

Under the Companies Act 2006 we are also required to report if in our opinion certain disclosures of directors' remuneration have not been made.

We have nothing to report in respect of this matter.

14. Other matters which we are required to address

14.1 Auditor tenure

Following the recommendation of the Audit Committee of the company's ultimate parent company, Severn Trent Plc, we were appointed by the company on 15 July 2005 to audit the financial statements for the year ending 31 March 2006 and subsequent financial periods. The period of total uninterrupted engagement including previous renewals and reappointments of the firm is 17 years, covering the years ended 31 March 2006 to 31 March 2022

14.2 Consistency of the audit report with the additional report to the audit committee

Our audit opinion is consistent with the additional report to the audit committee we are required to provide in accordance with ISAs (UK).

15. Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

1. Accounting policies

a) Accounting convention

The financial statements have been prepared on the going concern basis (see Strategic report) under the historical cost convention as modified by the revaluation of certain financial assets and liabilities at fair value, and in accordance with applicable United Kingdom Accounting Standards and comply with the requirements of the Companies Act 2006. The principal accounting policies, which have been applied consistently in the current and preceding year are set out below.

b) Basis of preparation

(i) General

The Company is a wholly owned subsidiary of Severn Trent Plc and is included in the consolidated financial statements of Severn Trent Plc.

The Company meets the definition of a qualifying entity under FRS 100 Application of Financial Reporting Requirements. Accordingly, the Company has elected to apply FRS 101 Reduced Disclosure Framework. Therefore the recognition and measurement requirements of International Financial Reporting Standards adopted pursuant to Regulation (EC) No. 1606/2002 as it applies in the European Union have been applied, with amendments where necessary in order to comply with the Companies Act 2006 and The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (SI 2008/410) as these are Companies Act 2006 accounts.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share based payment, financial instruments, fair value measurement, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions.

Where required, equivalent disclosures are given in the Group financial statements of Severn Trent Plc which are available to the public and can be obtained as set out in note 14.

c) Finance income and finance costs

Interest income and interest costs are accrued on a time basis by reference to the principal outstanding and at the effective interest rate applicable.

d) Taxation

Current tax payable is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on taxable temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred taxation is measured on a non-discounted basis using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Current and deferred tax are recognised in profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

A deferred tax asset is only recognised to the extent it is probable that sufficient taxable profits will be available in the future to utilise it.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities.

Severn Trent Utilities Finance Plc

Notes to the financial statements (continued)

1. Accounting policies (continued)

e) Loans receivable

Loans receivable are measured at fair value on initial recognition, less issue fee income received. All loan receivables are held for collection of contractual cash flows, which represent solely payments of principal and interest. After initial recognition, loans receivable are subsequently measured at amortised cost using the effective interest rate method whereby interest and issue fee income are credited to the income statement and added to the carrying value of loans receivable at a constant rate in proportion to the loan amount outstanding.

The Company recognises lifetime expected credit losses ('ECL') when there has been a significant increase in credit risk since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to the 12 month ECL.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of the loans. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events that are possible within 12 months after the reporting date.

f) Borrowings

Borrowings are initially recognised at fair value less issue costs. After initial recognition, borrowings are subsequently measured at amortised cost using the effective interest rate method whereby interest and issue costs are charged to the income statement and added to the carrying value of borrowings at a constant rate in proportion to the capital amount outstanding.

Index-linked debt is adjusted for changes in the relevant inflation index and changes in value are charged to finance costs.

Borrowings denominated in foreign currency are translated to sterling at the spot rate on the balance sheet date. Exchange gains or losses resulting from this are credited or charged to gains/losses on financial instruments.

g) Foreign exchange

Foreign currency transactions arising during the year are translated into sterling at the rate of exchange ruling on the date of the transaction. All gains and losses on exchange arising during the year are dealt with through the income statement.

2. Critical accounting judgements and key sources of estimation uncertainty

In the process of applying the Company's accounting policies, the Company has made no critical accounting judgements and there are no key sources of estimation uncertainty.

3. Audit fees and employees

Fees payable to the Company's auditor for the audit of the Company's annual accounts of £37,000 (2021: £34,000) and non-audit fees for audit-related assurance services of £8,000 (2021: £8,000) have been paid by the parent undertaking on behalf of the Company. No other fees were payable to the auditor (2021: nil).

The average number of employees during the year (including Executive Directors) was nil (2020: nil).

4. Directors' remuneration

The emoluments of the Directors are paid by other companies with the Severn Trent Group.
